I have a 1<sup>st</sup> aid/CPR training the evening of 4/20/16, from 4:00 pm until 9:00 pm. I can see if there is another time to pick that up or if the FBC meeting is earlier in the day I may still be able to make it. Otherwise the update we just sent in has the latest information available.

I would think Mike would be best, but Mike are you available?

Thanks Julie. Just to clarify, I wasn't suggesting Martin and Joe provide the write up necessary, but that you all be aware and coordinate on who says what during this meeting. Options include sending Mike or Joe, or giving Julie the most recent update to read at the meeting.

Hi Joe and Martin: Next week is the Flathead Basin Commission meeting in Pablo. We have a standing agenda item asking for a CFAC update from EPA. In the past I coordinated with Rob Parker and Mike Cirian. Joan asked that I get the update from you. If I could have a short write up by Tuesday morning that would be very helpful.

Thanks!

**Subject:** 4/20 FBC agenda

Hi all:

Please see attached draft agenda for the 4/20 FBC meeting. We have a packed day, and I don't think we have any room left on our agenda. However, if there is something really pressing, please let me know.

The one item noted in red is still pending.

Cheers --
